

THE INTERNATIONAL PLASTICS SHOWCASE
June 22-26, 2009 • McCormick Place • Chicago, Illinois USA

Latin-America Networking Lunch

On behalf of the International Trade Center (ITC) at NPE2009 and Seminarios Plástico, you are cordially invited to the Latin-America Networking Lunch to be held from 1:00 – 2:30 p.m. on Tuesday, June 23 in Rooms S102b-d in the South Hall. The luncheon will feature a panel of Commercial Specialists from Latin-America who will provide a brief overview of market conditions and export opportunities in their respective countries. Following this presentation, you will be able to mingle with U.S. exhibitors interested in exporting to this region and guests from Latin-America.

Although there is no charge to attend this luncheon, space is limited, so only those with tickets will be admitted. Tickets will be distributed on a first-come, first-served basis at the ITC located in Room S100C in the South Hall.

So please stop by the ITC to collect a ticket and take advantage of this opportunity to consolidate or establish new business connections in Latin-America.

With special thanks to Canon Plastics Worldwide Network, the NPE2009 International Host and publisher of numerous trade magazines including:

Founded in 1937, SPI represents the third largest largest manufacturing industry in the United States. SPI's members represent the entire plastics industry supply chain, including processors, machinery and equipment manufacturers and raw material suppliers. The U.S. plastics industry employs more than 1.1 million workers and provides more than \$379 billion in annual shipments.
