

# 2025 FDCPMC SPRING PACKAGING SUMMIT

Monday, June 2 – Wednesday, June 4, 2025

Sheraton Suites Old Town Alexandria  
Alexandria, VA

- Explore food packaging regulations and the resulting innovation at the 2025 Food Packaging Summit hosted by the PLASTICS Food, Drug, and Cosmetics Packaging Materials Committee (FDCPMC).
- Dive into key topics like global regulation, sustainability practices, and cutting-edge safety measures. This event is the perfect arena for compliance experts, scientists and engineers, advocates, and industry stakeholders to network, share insights, and shape the future of food packaging.
- Whether you are from a leading corporation or a pioneering startup, the summit is designed to discover, learn, and connect with the minds driving change in food packaging regulation and compliance.
